Primary Club Issues

Do you propose to specify the BBS Club as your Primary Club? This is important as we automatically have to inform your Firearms Licensing Authority of any changes in your membership status if you specify the Club as your Primary. Also note, that if the BBS Club is your ONLY Club, then we are automatically your Primary Club.

Note also that the Primary Club takes the responsibility for signing you off each year under the agreed NRA / MOD rules as a safe shot. Thus, ALL BBS Club members will need to satisfy the Club Committee that they have undertaken basic safety training to the requisite standard determined by the BBS Committee.

1) BBS Club is my only Club. YES / NO (cross out which doesn't apply)

2) BBS Club is my stated Primary Club YES / NO (cross out which doesn't apply)

3) Another Club (listed above) is my Primary Club YES / NO (cross out which doesn't apply).

We reserve the absolute right to check with your stated Primary Club that it is your Primary as you have asserted.

Section A: Satisfactory completion of an Annual Range Safety Test paper and satisfactory observation by a designated Club Officer of range safety practice (one shooting episode) at least once per year.

Please NOTE: Every full Club member must complete Section A annually.

If you do not have a valid NRA Competent Shooter Certificate (CSC) then the club will need to purchase a training manual for you at a cost of £5. Please add £5 to your membership fee.

Character Questions:

Have you ever been refused a firearm/shotgun certificate or held one and had it revoked?…

If yes, give reasons……

……..

Do you know of any reason why you might be refused a firearm or shotgun certificate? For example: criminal record or episodes of mental ill health. Please be completely honest here as when you apply for an FAC this information will come out anyway and at this point we may well be able to provide you with appropriate advice.

If yes give reasons……
