Primary Club Issues

Do you specify the BBS Club as your Primary Club? This is important as we automatically have to inform your Firearms Licensing Authority of any changes in your membership status if you specify the Club as your Primary. Also note, that if the BBS Club is your ONLY Club, then we are automatically your Primary Club.

Note also that the Primary Club takes the responsibility for signing you off each year under the agreed NRA / MOD rules as a safe shot. Thus, ALL BBS Club members will need to satisfy the Club Committee that they have undertaken basic safety training to the requisite standard determined by the BBS Committee.

- 1) BBS Club is my only Club. YES / NO (cross out which doesn't apply)
- 2) BBS Club is my stated Primary Club YES / NO (cross out which doesn't apply)
- 3) Another Club (listed below) is my Primary Club YES / NO (cross out which doesn't apply).

We reserve the absolute right to check with your stated Primary Club that it is your Primary as you have asserted.
